Dear Ken:

I believe John Warner's memo reflects in a general way our interesting discussion of Friday and I appreciate the time you afforded me. Your "Position Paper on Cuba" was delivered to the President as you requested on Friday afternoon.

Please note paragraph 6 on Page 5 concerning the confidential nature of the paper. Your request will be respected by the Administration for the reasons you mentioned to me and I presume you will be governed accordingly.

Regards.

Yours very truly,

John A. McCone
